

PETITION FOR CHANGE OF ADVISOR
in MATERIALS SCIENCE AND ENGINEERING

Name _____

Address _____

City _____ State _____ Zip _____

Program of Study: M.S. Ph.D. Other _____

Major Field of Interest _____

Present Adviser _____ Department _____

Proposed Adviser _____ Department _____

If you wish to change advisers within the department in which you are currently enrolled, please provide the information requested above and obtain the approval of both present and proposed advisers.

If the requested adviser change involves a change from one department to another, your petition will be routed to the admissions committee of the department that you wish to enter. Once that department's approval is obtained, both present and proposed advisers will be informed by our office of your request, and their concurrence sought. Please keep in mind that approval of department change is not automatic.

You will be notified in writing by our office when your request has been acted upon.

Approval of Present Adviser: _____

Approval of Proposed Adviser: _____

Departmental Recommendation: _____
