PPG Foundation
Online Grant Application
Instructions

1. **Click here** to login to YourCause.
   - If this is your first time logging in, you will need to create an account by going to the **Sign Up** tab at the top right of the screen.
   - After creating an account, you will be required to verify your email address before you can log-in.
   - **PLEASE NOTE:** The email sent by YourCause in order to do this expires in 24 hours. Check your spam folder if you do not receive the message in your inbox.

2. Once you are logged in, you will see the PPG Foundation Grants home page.

3. To apply for a new grant, click **Start eligibility**. To view an old submission or application awaiting a decision, click **View all my applications**.
   - If you had to create an account and do not see the option to start an application after logging-in, click the link in Step 1 again.

4. If applying for a new grant, you must select your organization before you can complete the eligibility quiz by searching with either your tax exempt ID # or your organization name.

5. Once your organization is selected, complete the eligibility quiz to determine if you are eligible to apply for the chosen program. When you are done answering the questions, click **Submit**.
6. If you receive a response stating that you passed eligibility, click Continue to application.

7. You will then be taken to the Grant Request Form.

8. Fill out all the required fields as they pertain to your organization and the project for which you are requesting funds.

   • In the Officer/Director section, you MUST add contact information with unique emails for ALL (at least 3) of your organization's officers and directors. If you do not complete this part of the process, you will be contacted by a PPG Foundation representative and be asked to resubmit your application in order to be considered for funding.

   • PLEASE NOTE: In order to comply with due diligence requirements of the Patriot Act and Executive Order 13224, the PPG Foundation must vet the names of the charitable organizations that receive our grants and/or goods, as well as their officers and directors, against several terrorist lists, including ones compiled by the Department of Treasury and State.

9. Once all fields are completed, click Submit.

10. You will now be in the My Applications section where you can review and make edits to your submission.
